

# Stone House

2 Bedrooms/2 Bathrooms

Part of Squires Estate

Eleuthera, Bahamas

The Stone House is a comfortable, open space whose interior design takes its inspiration from a fusion of influences that span the globe. The house is literally a treasure trove of unique pieces from far flung origins. The open space is characterized by natural oak floors and the high ceilings. The house's centerpiece is a unique home-made oversize chandelier which beautifully illuminates the space and highlights the design and decor.

The split level two bedroom Stone House features modern interiors which match its contemporary colonial exterior. One master bedroom , one loft master/double bedroom, living room, two bathrooms one with shower, one with bath/shower, dining room, fully equipped kitchen in stainless steel, and two porches. The house features state of the art appliances including a flat screen TV, air conditioning, ceiling fan, wireless internet and cordless telephone.
