

Toad's Hall

1 Bedroom Cottage

Sleeps 2/Shared Pool

Governor's Harbour, Eleuthera, Bahamas

Toad Hall is exquisitely unique and the oldest house of the entire estate. To match the quality of the handsomely restored exterior, decorating the interior became a labor of love. The house reverberates with a musical theme as hand-made musical instruments come to life in a cheerful medley of playful shapes and sizes.

The designer had a passion for mixing and matching original pieces of furniture selected from overseas antique stores. There are also airy splashes of color as pure lime wash adorns the walls. This historical guest cottage features an upstairs master bedroom with balcony, two bathrooms, living / dining room, a fully equipped peninsula kitchen, entrance foyer and porch. The home also boasts the finest interior furnishings including a grand piano, flat screen TV, air conditioning, fan, wireless internet and cordless telephone. Toad's Hall shares with Mrs. Russel's House its infinity pool.

You may also rent the entire Squires Estate which includes 10 bedrooms and 6 different cottages: [Belmont House](#), [Mrs. Russel's Cottage](#), The Stone house, The Cottage at Belmont, Toad's Hall, and the Jr. Cottage at Belmont.
