

Activities

World-class golf

- Playa Grande is an unusually beautiful parcel of about 2,000 acres on the North Coast of the Dominican Republic, straddling the towns of Rio San Juan and Cabrera. The property has great topography, with hills and cliffs and 5 miles of exposure to the Atlantic Ocean, including a wide, mile-long beach. Robert Trent Jones built his final golf course, cut into the cliffs over the sea.

Horseback riding

- You can ride on the beach along the ocean coast or take trails through the lush tropical mountain forests!

Snorkeling, Open water or Cave Scuba Diving & Open Water Certification

- Revel in the casual Down-Island pace of life while Diving or Snorkeling in clear Caribbean waters teeming with marine life, relaxing between dives on one of our Beautiful White Sandy Beaches.

Northern Coast Diving is a 5 Star Instructor Development Center, PADI Gold Palm Resort and a National Geographic Dive Center located in Sosua, Cabarete, Rio San Juan, Abreu and Cabrera, on the north coast of the Dominican Republic. Customer service and safety are their number one concern.

Whale Watching-Whale Samana (Migrating Humpbacks Jan – Mar)

- A unique opportunity to observe humpback whales in their natural calving and mating grounds in Samana Bay, Dominican Republic. Listen to the male humpback's solitary courting song and witness incredible displays of flipping, tail lobbing and breaching by the most active species of whale in the Atlantic. A Marine Mammal Specialist will also be on board to narrate and answer questions. An experience of a lifetime, not to be missed

Jeep Safari or ATV 's

- Explore the jungle rivers, rain forests and native villages hidden away in the mountains and valleys beyond the coast...places that every visitor to the Dominican Republic should see to fully appreciate its

stunning beauty and unique culture.

Deep Sea Fishing

- The North Coast of the Dominican Republic offers a world class fishery ready to be discovered. Fully, customized English speaking tours on the fastest, safest and most technologically advanced boats on the north coast furnished with all the latest and greatest equipment
