

Calivigny Island

10 Bedrooms with En-Suite Baths

(Sleeps 20 guests)

Calivigny Island, Grenada, Caribbean

(PRIVATE ISLAND)

Calivigny, a luxury private island located off the coast of Grenada – “The Spice Isle” is the ultimate escape for the affluent traveler in search of their own slice of paradise. White sandy beaches, lush tropical gardens and warm crystal clear waters surround this “Undiscovered Gem of the Caribbean”. From the moment you arrive to the moment you leave this majestic island will be yours to enjoy and explore while your every wish, whim and desire are taken care of.

Calivigny features the “Beach House”, a stunning residence with 10 sumptuous suites and spectacular views. Each suite is fully air-conditioned with its own lavish en-suite bathroom and first-class amenities ensuring total refined comfort. The house is an architectural masterpiece, harmoniously blending French Colonial and Balinese creating a sanctuary for its guests. Tastefully decorated and furnished with custom-designed furniture by Oscar de la Renta and Richard Frinier providing a authentic home away from home atmosphere.

Calivigny and the surrounding islands provide an abundance of activities for those searching for something extreme to those just wanting lay on the beach and listen to the life going by. Our highly trained island staff including private Chef is on hand 24hrs to attend to all our guest’s needs.

The Island is an ideal place for all types of events from family holidays, wedding celebrations to high level corporate trips. Available for exclusive rent only, ensures total privacy to all guests guaranteeing a memorable experience.

Location & Getting Here ...

Calivigny is approximately 5 minutes boat ride from Grenada and The Nearest Airport is Port Salines International Airport in St. George's, Grenada. There are Year round direct flights from London, New York & Miami. In high season additional flights are added from Europe and North America. Guests may also travel to any other Caribbean Island and then either charter a private plane or use LIAT Airlines. Return Airport transfers are included, with total travel time of 10 min. to the island
