7 Bedrooms ` 6 Bathrooms

Pool ` Close to Beach

Montego Bay, Jamaica

Round House is a seven-bedroom villa and is one of the largest and most spacious villas at The Tryall Club. Round House is arresting both in its design and superb location. Split into two levels, its cool interior spaces are elegantly decorated with personal taste, with all the atmosphere and comforts of a private island home.

Round House bedrooms are beautifully decorated, all with lofty cathedral ceilings, fans and air-conditioning. Round House has six king beds and two twin beds spread out in various bedrooms. The master bedroom has a fantastic panoramic view of the ocean and golf course.

In the airy living room there is a television and VCR for group entertainment. The action of the day and night unfolds around the outdoor open-sided cathedral ceiling dining gazebo and semi-circular terrace that looks down on the manicured gardens encircling the pool and deck. Beyond the pool railing, the view opens up into the breathtaking panorama.

Round House rents with one golf cart and comes with a staff of six, all eagerly awaiting to serve you. The staff consists of a Butler, Cook, Maid, Laundress and two Gardeners.
