

Baie Longue Beach House

3 Bedrooms/3 Bathrooms

Ocean Views/Pool

Terres Basses, St Martin, French West Indies

This wonderful, West Indian style home with lovely arches on the sea side is located directly on Long Beach with over a mile of shimmering white sand. The home was completely renovated in 1996 and in 2003 has had more extensive renovations including a new portico entry way, extended living area and an indoor/outdoor bar overlooking the pool area.

There are three air-conditioned bedrooms, one king and two queen size beds, each with their own en-suite baths. All three bedrooms open out to a covered gallery that runs the full length of the villa. Two of the bedrooms also open into the main living areas of the villa. There is a large open air living/dining room with direct access to the covered gallery. Outdoors there is ample space for covered dining and enjoying the wonderful ocean view. The music system has speakers in almost every room as well as outside. Marble floors throughout give this Caribbean rattan and antique furnished home a very comfortable feeling. A large swimming pool between the house and the beach is a wonderful place to relax and spend the day lounging.

Please note: NO children under 10 yrs.
