Happy Bay, St. Maarten

Villa Dreamin Blue is a new property located on the crown of the hill overlooking beautiful Happy Bay, Marigot Bay, Terres Basses, Anguilla and the ocean beyond. A paved public footpath can be taken down to peaceful Happy Bay Beach and the more commercialized Friar's Bay Beach.

This luxurious villa has been tastefully decorated with a Caribbean / French nautical theme and features a well designed and sociable kitchen with breakfast bar and a formal dining area. Three of the four bedrooms feature superior bedding & linens and have complete en suite bathrooms. The 4th bedroom is more adapted for children with a demi-length bath tub, low hanging rails in the closet and 2 single beds that can be made up as a double bed upon request. The Master and 4th bedrooms both have interior access to the Living room.

The major asset of this beautiful property is the infinity edged pool terrace, 2 heated pools and the spa and stunning views. Further details that add to the quality of Dreamin Blue include: wine refrigerator, fine quality dinner & glass ware, WIFI internet access, and a built in automated mosquito spray system.

This villa offers the perfect vacation venue for families groups or couples alike.
