Giselle's newly upgraded, heated pool and spa on the spacious terrace overlooks Plum Bay Beach and the sumptuous setting sun. This superb, newly constructed private home has a 180° view of the crystal blue waters of the Caribbean and is but a short walk to the beach.

All four air-conditioned, king-size bedrooms are equal sized and open directly onto the terrace and are graced with ocean views. The en-suite deluxe bathrooms also have walk-in closets. The spacious indoor and outdoor living areas offer ideal opportunities for relaxing and entertaining, complete with the gourmet kitchen and covered outdoor dining area with gas BBQ.

This wonderful vacation retreat also offers a 5th self contained bedroom, perfect for a nanny or staff 'travelling with' or teenagers looking for a shade of independence. The magic is sealed as the sun romantically sinks beyond the horizon after another perfect day, illuminated by the colorful fibre-optic highlights in the pool and spa.
