Enjoy the Outdoors

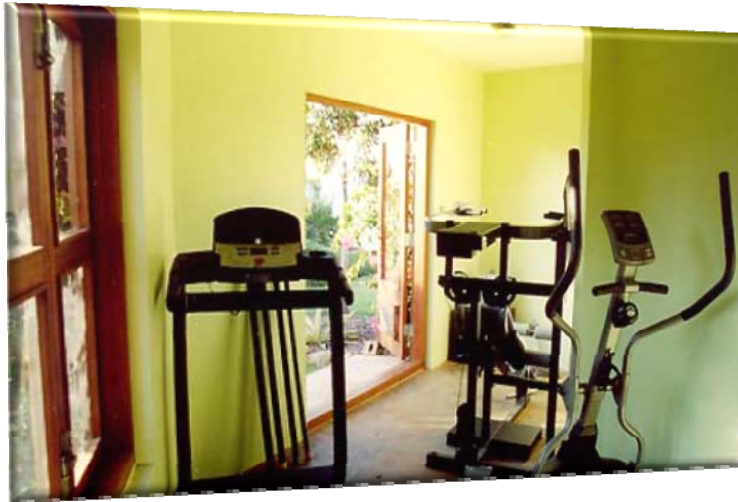

When it comes to swimming and relaxing at Baraka Point, guests can choose from a number of options. There is a 30 x 15 foot infinity edge pool, a smaller plunge pool, direct access to a sun-kissed secluded beach at Baraka Point as well as several white-sand beaches a short drive from the villa.

The main pavilion has a large wrap-around coral stone terrace leading on to an infinity edge pool and a second covered alfresco dining terrace. The pool is surrounded by an extensive grass lawn that is framed by the giant granite boulders that are Virgin Gorda's geological trademark.

A wooden sea deck set in the boulders and illuminated with large copper torches at night invites you to enjoy cocktails and 230 degree views of azure seas and the neighboring islands while watching the sun set as the waves lap gently beneath you.

Baraka Point has direct access to one of Virgin Gorda's best snorkeling beaches...just take a walk through the garden and down the villa's native stone steps right onto the terrace to the private beach. The sandy terrace on Barakas land is for the guests only, but the rest of the beach (3/4 mile long) is public .

- 24ft horizon/half moon pool with a kiddie area in shallow end (main pavilion)
- Plunge pool (Kerala suite only)
- Beach chairs and towels
- Hobie cat
- The beach that Baraka Point is on is great for snorkeling and privacy and is swimmable with beach shoes
- Ski boat
- Sea kayaks (2)
- Snorkel equipment, 10 sets, floatation devices, beach umbrellas
- Indoor/outdoor SONOS music system
- Telescope
- Pool mattresses (3)
- Snorkel equipment (8 sets)
- Sunrise and Sunset views
- Golf Cart for guests' use to get to a swimmable beach that is a 2 minute golf cart trip away
- Use of power boat for water sports (captained by staff only)

What you'll find at the home

Baraka Point is a haven of peace and tranquility created with natural materials including hard woods, copper and native stone. Incense diffuses warm soothing scents, and the gentle trickle of a water feature provides a peaceful and sensually engaging environment that has been created to feel like your home away from home.

The Living room is a beautifully decorated space with a 28-foot ceiling. Enjoy afternoon tea or listen to music in this most enchanting of spaces... Baraka Point has an eclectic mix of 300 CDs ranging from contemporary world music and chill-out after hours sounds to pop, jazz, soul, and classical.

Recline on the giant hand-made silk cushions that are scattered throughout the media room/library while watching one of 50 DVDs on the villa's widescreen digital TV. There is also a Playstation 2 console, various board games, and hundreds of books of all kinds.

Once you have decided on a good book, pour yourself a drink from the bar or have the chef prepare you a special Baraka Point cocktail to be enjoyed on one of the living room's three Balinese day beds, on a pool lounge or out on the sea deck.

The villa has a professional kitchen featuring a full complement of dinner and glassware, stainless steel appliances, a well-stocked pantry and wine cellar. Baraka Point offers various meal plan options and sample menus for you to review prior to making a booking.

The temperature in the BVI is stable year round-usually in the high 20's (Celsius) or high 80's (Fahrenheit). The villa has eight foot wide eaves, sun umbrellas, ceiling fans and air conditioning in the bedrooms in order to keep you comfortable no matter where you are located in the house.

Baraka Point is equipped with everything you might need for a full and relaxing holiday - from entertaining guests to keeping your children occupied while you take a stroll on the beach, unwind with a good book or keep fit in Baraka Point's gym.
