

Chalet Jade

3 Bedrooms Ensuite

Sauna/Jacuzzi

Courchevel, France

Chalet Jade is the quintessential ski chalet: surrounded by pine trees, built from giant wooden beams and with large balconies giving views over the mountains and snowfields. Decorated in contemporary eclectic style, the chalet has a double-height, open-plan lounge with a roaring log fire, **home cinema** and large, leather sofas.

The dining room and kitchen are ideal for breakfast, uniting with balconies for a buffet lunch or for dinner cooked by one of our private chefs. Après-ski, staff collect, dry and store all of your clothes, boots and skis ready for your next session. A massage, afternoon tea or champagne and canapés are there for the asking. Relax in the **sauna and Jacuzzi**, watch a film or satellite television on the home cinema.

Six guests sleep in **three bedrooms all with en-suite bathrooms**. Those on the ground floor have a private balcony while the master bedroom is set in a gallery over the lounge.

Jade – winter skiing at its peak, 1850 metres to be precise.
