3 Bedrooms/3 Bathrooms
(Sleeps 6 guests)
Pool / Garden Spa / Wireless Internet
Mykonos, Greece

Located in a beautiful olive grove garden, overlooking Mykonos harbor, town and the surrounding islands, the Olive Garden Villa is a truly privileged setting. Designed by a renowned Belgian architect, this all-white Villa combines smart minimalism with traditional Mykonos style; its encircling marble-tiled terrace offers spectacular views from sunrise to sunset.

The Villa interior is a simple but sophisticated Island mix, comfortable and airy with large high windows giving plenty of interior natural light. All bedrooms have a balcony or terrace outlet, with superb sea views. The well-maintained designed garden presents an attractive natural surrounding. The spacious, ground floor living/sitting area - with terrace and sea outlook - also has sliding door-windows to an interior garden courtyard with outdoor dining/barbecue. The well-equipped kitchen, and the twin bedroom with adjoining bathroom, both access the living room and garden area. The villa's first floor features: one master bedroom with walk-in closet and en-suite roman bath and one double bedroom with en-suite.

The Olive Garden Villa - located at walking distance to Mykonos Town and its abundant facilities - is the ideal choice for discerning clients wishing to experience an exclusive, charming environment, while enjoying the Island's class restaurants and renowned nightlife nearby/at proximity.
