Soothing treatments are available for both men and women and your therapist will select an aroma from a choice of lavender, rosemary and frankincense to de-stress, revive and completely relax the senses.

SUMMER ACTIVITIES

Summer in Verbier is amazing as the average temperature is a balmy 26°C / 79°F. Serious adrenaline junkies can enjoy mountain biking, paragliding, rock climbing or nearby white water rafting. For a gentler experience take in the breathtaking views whilst hiking or horse riding. There's also an 18-hole golf course and sports centre with tennis courts nearby. The Lodge is close enough to enjoy day trips over the French and Italian borders. All alpine adventures are organized our very own activities coordinator.

WINTER SPORTS

Verbier, one of the world's most popular winter resorts, is part of the "Four Valleys" so there are numerous runs challenging beginners through to experienced skiers. The main ski lift is a mere 250m (or a 1 minute van ride!) from the chalet and experienced skiers can ski directly into the Lodge. There's also cross country skiing, sledging, snowboarding and snowshoeing. For the more advanced, why not try paragliding or heli-skiing?
