

Villa Arawan

5 Bedrooms/5 Bathrooms (4 en-suite)

(Sleeps 10-12 adults)

Infinity Pool / Outdoor Jacuzzi

Surin, Phuket, Thailand

This magnificent house is built in northern Thai style and is located in a quiet position, at the end of a no-through road, within a private estate some 60m (200 ft.) above sea level.

All 5 bedrooms (3 kings and 2 Twins/Doubles) face the sea. These include two matching Master bedrooms, opening onto a huge private terrace. The Pool terrace with its twin 'salas' (covered outside dining and sitting areas), has a magnificent view across its infinity pool and the lovely Surin and Bang Tao beaches to the Andaman Sea.

The House is beautifully presented, with polished teak floors and attractive Thai furnishings and art work, and is very spacious – over 500m² (5,380 sq. ft.) of air-conditioned space; it accommodates 10 adults in great comfort. It may be possible to accommodate a small number of additional children, subject to discussion. There is a large living room, with a dining area seating at least 10. At the same time, its design and lay-out mean that a smaller party of 4-6 people would be a perfect fit: indeed, we have made the whole villa available to one honeymoon couple.

This stunning House is located at Surin on the west coast of Phuket, home to the best beaches on the island and close to luxurious hotel properties such as the Amanpuri and the Chedi. It is also close to the best restaurants on the island, and only a short distance from the best golf courses and the marina where yachts of every description can be chartered.
