Ulusaba has 23 rooms and suites spread over three lodges. Rock Lodge is 'Heaven in Heaven', perched high on the summit of a koppie with views over the South African bush below with 10 rooms and suites.

Nearly 500 meters away is Safari Lodge, known as 'Heaven on Earth'. Built along the banks of a dry riverbed, Safari Lodge guests cross swing bridges between the exquisite tree house style rooms. For the ultimate experience, guests can share their time between both lodges.

Sir Richard Branson's Private Game Reserve is set in the heart of the Sabi Sand reserve on the border of the Kruger National Park in South Africa.

Most of our staff hail from the surrounding villages therefore guests benefit from authentic South African hospitality. We promote from within where we can, and support the local community through our charitable project, Pride 'n Purpose. The Ulusaba family of 119 individuals includes some of the finest and most qualified rangers and trackers in the reserve, who guarantee the experience of a lifetime on game drive. We delight in going the extra mile for all our guests!

At Ulusaba, we're aware of our impact on people, society, and the environment, and strive to act sensitively and responsibly. And we're not just talk - we're about the action! Key initiatives include recruiting locally, minimizing waste output, helping bush conservation, energy preservation and those less fortunate in the community through our charitable arm Pride 'n Purpose. We realize some changes may take time, but we're 100% dedicated to doing our bit for the future generation.

Rock Lodge Rooms & Suites ...

Rock Lodge is perched high on the summit of a koppie with views over the vast lowveld and the distant Drakensberg Mountain range. There are ten rooms and suites individually designed with the colors denoting a different African tribe or region. These include four Rock Cliff rooms, one Master Suite, two Makwela Suites with private infinity plunge pools and one two-bedroom Rock Suite.

Things to do ...

GAME VIEWING

Nothing gets past our experienced Rangers and Trackers on the twice daily game drives (well, mostly!). Traversing over 13,500 hectares in open Land Rovers, they will share their vast knowledge of the surrounding wildlife as they track the Big 5 - lions, buffalos, leopards, elephants and rhinoceroses. Our Rangers and Trackers will also guide guests on daily safari walks to see flora, fauna and smaller creatures often missed when on the game vehicles.

CUB'S CLUB

At Ulusaba, kids up to 11 years old can stay at Rock Lodge and are invited to join the Cub's Club. We offer a range of activities tailored to each child or group together with Cub's cuisine. Babysitting is complimentary and run by experienced staff members. All Cubs will be given a Cub's Club Backpack full of little goodies to entertain and educate them about the African Bush.

WELLNESS

The Aroma Boma Spas at Ulusaba's Rock and Safari Lodges are the perfect antidote to all the excitement of game drives. A whole range of treatments is available, from facials and massages through to those essential grooming rituals. Away from the spa you can opt to enjoy a massage in the comfort of your own room, on one of the outdoor decks, or even by the pool.

Fine Cuisine & Dining ...

Our internationally renowned chefs at Ulusaba have developed numerous pan-African dishes influenced by many African cultures, flavors and spices. Whether dining under the African sky, in the outdoor dining Boma, on a deck or in the dining room, our menus and meals promise to be exciting, social and inspirational. All our breads and pastries are baked daily and we also cater for private meals, special occasions and children.

Weddings & Honeymoons ...

We love weddings at Ulusaba, and what could be more spectacular or evocative than a ceremony in the African Bush!

Getting married at Ulusaba is the kind of wedding your guests will be talking about for years to come. Say 'I do' under the romantic canopy of an Amarula tree, surrounded by flaming bamboo torches, and announced by the beat of African drums. Few settings evoke a more perfect romantic atmosphere than listening to the animals whilst sipping champagne and watching the sun go down.

We've put together four wedding options, from the simple to the lavish, all designed with you in mind. Visit our [Wedding Prices](#) page for a complete list of inclusions and rates.

For those of you who have tied the knot elsewhere, honeymoons at Ulusaba are equally idyllic for an intimate and private escape to the African Bush. This romantic Ulusaba experience promises to be Heaven on Earth and a holiday never to be forgotten!

Pride 'n Purpose ...

Working on a non-profit basis, Pride 'n Purpose is Ulusaba's charitable arm committed to helping disadvantaged communities living adjacent to the reserve. While staying at Ulusaba, guests can go on a variety of community tours with all proceeds donated to the local community. Pride 'n Purpose is jointly funded by Virgin Limited Edition and Virgin Unite (Virgin Group's charitable arm).

Our Philosophy

We believe that people are most effectively helped if they are empowered to help themselves. Our aim is to therefore work with and not for the people. Over 35,000 people across six communities benefit from Pride 'n Purpose.
