

ZEN MASTERPIECE

5 Bedrooms/5.5 Bathrooms

Rooftop Pool/Lounging Area

Miami Beach, FL

The Great Inspiration find, in a place where Art Deco meets Modern Revelations, this once stood as a private residence, then a Synagogue, then was completely renovated again to make it a home. This renovation took two years a lot of hard work and dedication. The house now stands in the heart of Miami Beach, hidden among the old and new, with features you would never believe by just passing by. It is hidden yet in plain view, a masterpiece indeed, with every curve you find yourself inspired, it's a wonderful place to escape, shoot a movie, and get away from it all, photography and more.

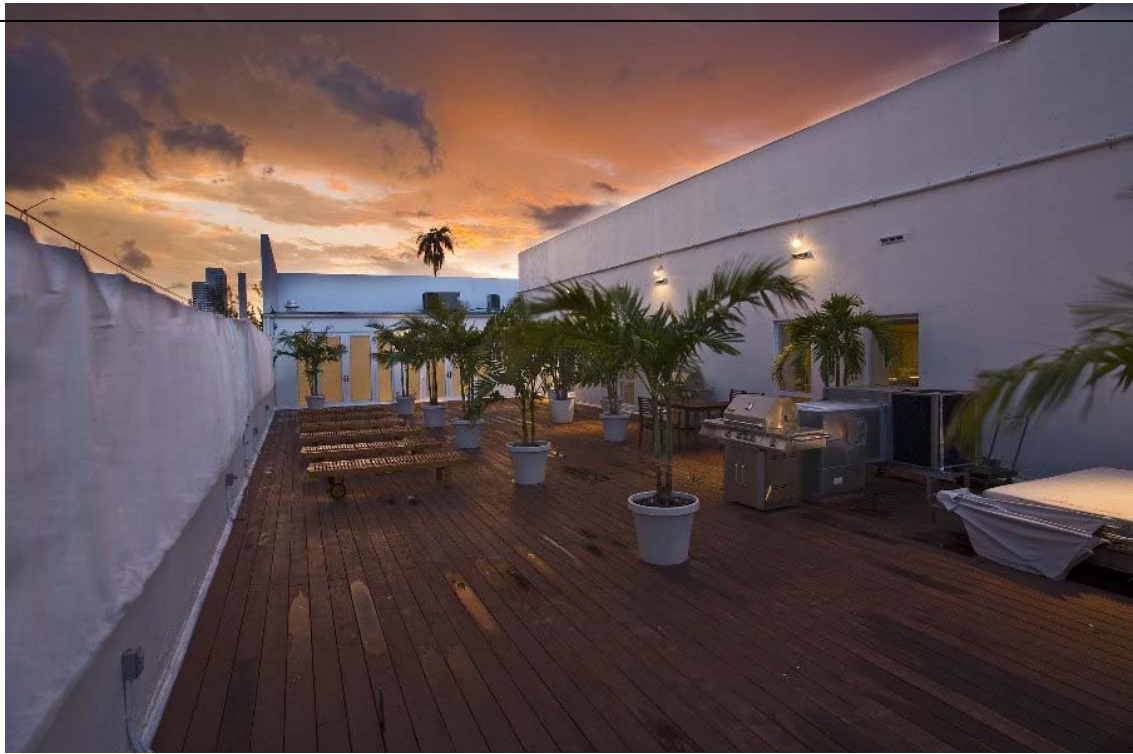

The Main house – is a 16,350 square foot oasis of solitude, tranquility and luxury. Great room – boasts soaring 30 foot ceilings above 6,600 square feet of awe inspiring open floor space, minimalistic elegance and indoor palm trees. 6 white couches cozily seat 50 people. Jacuzzi in the great room – seats six.

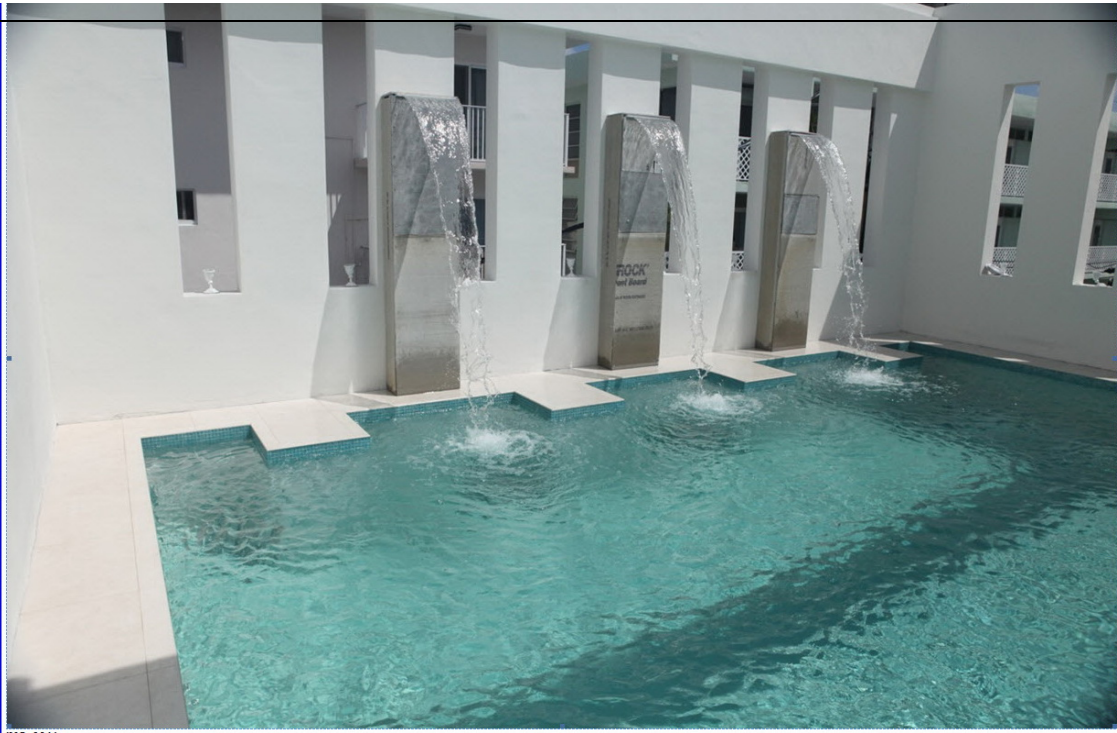

Master bedroom and dual-sink bathroom with private toilet/bidet closet; large bathtub and free range shower - 800 square feet. Four guest bedrooms with king size beds and ultra-comfortable memory foam mattresses provide the most comfortable night's sleep. Six bathrooms (5 full, 1 powder room). 400 square foot media room with Harmon-Kardon full surround sound, 100" Da-Lite projection screen, and Toshiba LCD projection unit. 2,900 square foot sun soaked outdoor deck on the second floor - made of solid Brazilian Ipe hardwood and housing two Jen Air propane grills, teak deck furniture and an outdoor water feature. Master bedroom and dual-sink bathroom with private toilet/bidet closet; large 2,700 square foot high ceiling loft room (with full kitchen and bathroom) on ground floor with three separate entrances. Perfect for den, guest suite or home office. 1,200 square foot second-floor dine-in kitchen (table seats 14) with commercial grade GE Monogram gas stove, oven, refrigerator and separate ice maker. 1,100 square foot mezzanine with Brazilian Cherry hardwood flooring surrounded by a glass railing permitting full views of the great room. 50 Tons of brand new air-conditioning.

Triple-pane hurricane proof insulated windows with black-out shades. State of the art lighting. Bose sound system with 16 speakers powered by dual Crown power amps and Rane commercial processors. Superb and discreet security system with external video surveillance and 9-port DMicros 320 GB digital video recording system, magic-color camera system, and Sony digital signal processor. Entertaining "pre-kitchen" on the main floor, perfect for catering private affairs. Two laundry facilities, one on each floor, with full size washer, dryer and utility sink.
